HAMILTON PLAYS PLUCKY GAME

Heavy Syracuse Team Held to 22 Points and Outplayed in Second Half

Last Saturday afternoon the Varsity were defeated at Syracuse by the score of 22-0 in a very well-played game. The Varsity held much better in the second half than in the first, so that Syracuse was unable to score. Through the greater part of the second half the ball was in Syracuse territory. The Orange team seemed unable to gain to any great extent through the line but made consistent runs around our ends. Bill Horr, the all-American possibility, according to Syracuse papers, did not succeed in making any phenomenal runs.

The Syracuse substitute quarterbacks made many fumbles. Holley played his usual brilliant game. White did some fine work on the secondary defense, while Williams, Thomas and Glover, in the line, were in the game every minute and succeeded in obtaining the ball a number of times on fumbles. For Syracuse, Burton, Banks and Stein surpassed, the latter punting for the Orange to good effect.

The game in part follows:

Banks for Syracuse kicked off to the 10-yard line when Hamilton fumbled, Waugh grabbing the ball. Stein tried center for no gain. Stimson was thrown for a loss.

Stein dropped back and kicked the ball straight between the goal posts. Score: Syracuse 4, Hamilton 0.

Banks kicked off to Holley, who returned the ball to the 20-yard line. After two unsuccessful line plays Markham tried to work the forward pass, but Wolfe intercepted the ball.

Horr was given the ball and tried

one of his spectacular end runs, but was downed by Wilson with six yards loss. Syracuse lost the ball on a fumble. Hamilton tried the forward pass, but Wolfe again got the ball. Banks circled left end for 15 yards. After losing on an attempted forward pass Stein punted to the 20-yard line. Syracuse held the Hamilton men for downs. Wolfe carried the ball around left end to the 5-yard line and Stimson carried it over for the first touchdown. Van Arnam kicked the goal. Score: Syracuse 10, Hamilton 0.

Syracuse kicked off to Hamilton. Hamilton, unable to gain, punted to center of the field. Syracuse fumbled Hamilton likewise fumbled. Wolfe grabbed the ball and ran 40-yards for a touchdown. Van Arnam kicked the goal. Score: Syracuse 16, Hamilton, 0.

Hamilton returned the next kickoff to the 30-yard line. Hamilton was forced to punt. Stein, Burton and Banks each worked the forward pass for about ten yards. Fisher then took the ball and made a magnificent run around left end for the last touchdown of the game. Van Arnam kicked the goal. Score: Syracuse 22, Hamilton 0.

SECOND HALF.

Hamilton kicked off to Syracuse. A short punting duel between White and Stein, in which honors were about even, was followed by a quarterback run of Banks, which netted ten yards. The half ended with the ball in the center of the field.

A number of substitutions were made in the Syracuse line-up at the

beginning of the second half. Champ- lin, who took Stein's place, returned the kickoff 15 yards. Syracuse was unable to gain and punted to the center of the field. Hamilton was forced to punt. Syracuse lost the ball on a forward pass. At this point Hamilton completely outplayed the Orange. Hamilton gained 15 yards by clever use of the onside kick. Then followed an exchange of punts. Syracuse was unable to gain consistently and Champlin again punted. Hamilton worked the ball to the 40-yard line when Holley tried a drop kick. The ball was aimed nicely, but fell short. Syracuse punted out. Hamilton again tried to drop the ball between the posts, but the line failed to hold. Syracuse promptly fumbled and Hamilton made another try for a field goal. Syracuse punted out, held Hamilton for downs, tried a couple of plays and fumbled the ball. Burton went around right end for seven yards. Champlin and Dudley alternated in carrying the ball fifteen yards at a time to the 10-yard line.

The line-up follows:

SYRACUSE		HAMILTON	
Saukins (Reynolds)	left end	Leavenworth	
Fisher (Hart)	left tackle	Osborne	
Cadegan (O'Brien)	left guard	Glover

1907 in the World

The Class of 1907 has been calling Hamilton "Alma Mater" for four months. During that time the various members of the class have taken up their several vocations "out in the cold, cold world." Of the thirty-two men who were graduated last June, two have entered institutions in which they may prepare themselves for the ministry; two are studying law, and one man has entered a medical college. Business of one kind or another has claimed eleven of last year's Seniors; one has successfully passed examinations for the army; and one has become a journalist. The following list will explain more fully the position 1907 is filling in the world of affairs.

Allen has entered Auburn Theological Seminary; Bright is engaged in business in Rome; Clark is employed by the Utica Trust & Deposit Company; Day, as Fellow in Biology, is studying at Harvard; Dudley is connected with the Produce Commission at Bath; Dunham is filling a position in a knitting mill at Stittville; Elsea is in Princeton Theological Seminary; Hemenway is recovering from an attack of typhoid fever at his home in Glasgow, Mo.; Jerome is studying law at Harvard; Kuolt is principal of one of the Schools at North Tonawanda; Libbey is studying law in the New York Law School; Love has entered the employ of the Houghton, Mifflin Co. in New York; Massee is teaching in Middletown; Montgomery is assistant principal of the high school at St. Albans, Vt.; Peck is reporting for the New York Sun; Scoon is Rhodes scholar at Merton College, Oxford; Trippe is confined to Faxton Hospital at Utica on account of the injury to his leg which he received last winter; Bagg is engaged in the paper manufacturing business at Holyoke, Mass.; Barrows has passed his army examinations at Fort Leavenworth; Brown is soon to enter the office of the Larkin Soap Co. at Buffalo; Clark is with the Western Electric Co. in Chicago; Gilbert has entered the employ of the Metropolitan Street Ry. Co., in New York; Gordon is engaged in teaching

in Jersey City; Grossmeyer is teaching in Ilion; Hoyt has entered business at his home in Port Leyden; Meeker has been engaged as instructor in the Pennsburg, Pa., Seminary; Rood is pursuing agriculture in Westfield; Rynd has entered Johns Hopkins University as a medical student; Schwartz is travelling for the Genesee Roofing Co., of Utica; Sprague is in business at Roscoe; and Swetman is principal of schools at New York Mills.

From the foregoing list it will be seen that 1907 have taken their places in the outer world and are "quitting themselves like men."

Sigma Phi Informal

Beta of Sigma Phi gave an informal dance on Hallowe'en night at Sigma Phi Hall. The patronesses were Mrs. Stryker, Mrs. Chas. B. Rogers and Miss Moore of Clinton and Mrs. Edwards of Rome. The guests were Miss Cauldwell and Miss Stryker of Clinton, the Misses Lake and Edwards of Rome, Miss Winant, Miss Bellinger, Miss Cooper, Miss Hunter, Miss Jones, the Misses Johnson, Miss MacKinnon, Miss Baker, Miss Lamb, Mr. and Mrs. Sherrill Sherman, Mr. and Mrs. Thomas Sherman, Messrs. Marsh, Cookinham and Crouse of Utica. Coach Crook was also a guest.

Freshman Elections

At a meeting of the Freshman class held in the Chapel on Wednesday afternoon the following officers were elected: President, Sidle; Vice-Pres., Colson; Treasurer, Richardson; Secretary, Anibal. A class yell was adopted and a committee appointed to select colors.

Phi Beta Kappa

In continuance of the custom of social and literary meetings inaugurated last year by New York Epsilon, the local chapter of Phi Beta Kappa, the Faculty and Senior members were pleasantly entertained at the home of Prof. White, on Wednesday evening. Those present were Messrs. Scovel

and Wight of Clinton, President Stryker, Professors Brandt, Fitch, Ibbotson, Morrill, Shepard, Ward, Ebeling, White, Wood and Miller, together with Anibal, Fitch, Huntington, Judson and Laird of '08. Professor White's efforts as host were eminently successful and the chapter spent a very enjoyable evening. The literary event was an interesting paper by Dr. Brandt on Nietzsche's "Zarathustra." After refreshments a discussion of Nietzsche was held. As a source of instruction and as promoting the interests of Phi Beta Kappa and closer relations between Faculty and undergraduate members, these meetings are of real value.

The 1909 Class Memorial

Early in the term mention was made to the effect that the Class of 1909 contemplated leaving as a gift to the College upon its graduation a memorial window to "Square" Root. Plans for this have now taken a definite form. A window space in the Chapel is to be reserved for this purpose and the memorial window will be placed early next year.

All agree that a memorial window to "Square" is most appropriate. The question has been raised whether the honor of presenting to the College this tribute would be granted to the Juniors. But it seems most fitting that they have this privilege as theirs was the last class to profit, as Freshmen, by the never-to-be-forgotten instruction of Dr. Root.

Theta Delta Chi Informal

Psi of Theta Delta Chi gave an informal dance on Monday night, October 28th. The patronesses were: Mrs. Westcott, of Utica, and Mrs. Fitch and Mrs. Shepard, of Clinton. The guests were: Miss Katherine Bellinger, Miss Batty, Miss Henrietta Peckham and Miss Helen Winant, of Utica; Miss Helen Brown, Miss Mary Wilson and Miss Constance Lake, of Rome; Miss Bertha Cauldwell, Miss Evelyn Stryker and Miss Sophie Williams, of Clinton. Music was by Smith, of Utica.

LATELY A PETITION has been circulated about College for signatures, which asks that the hour of Sunday Chapel be changed from the present time of 4 p. m. to 10:30 a. m., as it has been until this year. We do not believe that the letter of this petition states the attitude of the College in this matter. Although a majority may sign it they will do so on the spur of the moment and so doing will act contrary to their own good judgment as to the merits of the case. Now, why should such a petition not receive our support? Simply because the College as a whole should not be exploited by a few men who are behind the movement. Most of us like the afternoon service. Why should we be 'worked' so that those men who live nearby may obtain excuses to attend church at home, or as more commonly, stay snug in their room, smug in the fine feeling that they are outwitting those over them and getting a few more privileges than the rest of us common folk? That doesn't appear fair, from whatever viewpoint it may be regard-

ed, and we cannot approve of the attitude of those men who advance such a one-sided proposition.

THE RELATION OF SPIRIT to achievement was never more conspicuously shown than in the Stadium at Syracuse last Saturday. That first half was no disgrace, but the second half was gratifying all around. The team rejoiced in supporters whose faith and confidence knew no waning, the men on the bleachers saw with delight the stubborn and desperate defense which prevented what the Syracuse papers, with cheerful modesty, call "one of the best teams in the country" from scoring at all in the second half. The first half disclosed a weakness in the wings, which must be remedied at once, but the game as a whole gave promise of better things to come. The fact almost unheard of among Hamilton annals that the team became stronger as the game went on, is worth noticing. But above all, the spirit is the thing, and last Saturday is the first unmistakably genuine manifestation of Hamilton Spirit this year. Let us not browse on our laurels.

ALTHOUGH "LIFE" is in some degree a "periodical of protest" we can see no virtue in constant kicking. A few weeks ago an article was published which seemed to represent the sentiment of the College in opposing the new hour for Sunday Chapel. Now a few fellows want to "uphold their rights" and have this hour changed. But what's the use of making all this upheaval now? In the first place it is rather late to protest, or else it is much too early. It is not likely that the Trustees will consider seriously any petition coming after we have tacitly approved the new regime. Either we should have objected strongly when College opened, or give it a fair trial, and then if any change seems best the proper action can be taken. Any protest which is not unanimous will not exert any great influence.

THOUGH IT is a matter of relatively insignificant importance, LIFE has a

suggestion to make concerning "rooting" at the next two games. At each of these events the entire college body will attend and will probably break some cheering records. But there is one feature that would add to even our greatest lung exertion and it is a feature easily obtained; that is—a good display of buff and blue in our cheering section. If every man carries a Hamilton banner it will enhance greatly the beauty of the scene and by virtue of that all-powerful strength of suggestion will accomplish wonders in actual support of the team.

SPECIAL NOTICE

Elsewhere in this issue is published an account of past games with Union and a prospective line-up of the two teams. Now, in addition, let every man note that the College will meet in front of the Gym at 2:45 to march upon the field in a body. All Hamilton men will occupy the West grandstand. Every man should bring a Hamilton banner and he must bring a megaphone. This means *you*.

Today's Game

Former scores:

1905	Hamilton	17	Union	0
1904	"	5	"	0
1903	"	28	"	0
1902	"	31	"	0
1899	"	0	"	0
1897	"	4	"	4
1893	"	14	"	6

Today the strong Union University team meets the Varsity on Steuben field. Kick off is at three o'clock sharp. Union is coming one hundred strong to cheer their team and our vaunted cheering and singing abilities will be amply tested. Every man in College should be in front of the Gym at promptly 2:45 to march out on the field. Absolutely everyone must be provided with megaphones. Those who have none can procure them at the bookstore. The Glee Club, both Varsity and second string men will sit together in a section reserved for them in the center of the stand. This will greatly unify the singing.

The Varsity is in fine shape today

for the first time in weeks. Captain Holley and McLean are both in good condition, and Sidle, '11, is back in the game with renewed vigor, thus rounding out a strong back field. The line, too, will be there in full strength. Union outweighs us by a few pounds, but it is thought we excel them in speed. A battle royal is sure to result. That the team will be loyally supported from the stands goes without saying.—

The probable line-up :

UNION		HAMILTON
Miller	left end	Leavenworth
Brown	left tackle	Osborne
Berry	left guard	Glover
Peck	center	Williams
Knight, Lefferts	right guard	Thomas
Bell	right tackle	Kellogg, Wisehart
Wright, Eagan	right end	Wilson
Jewell	quarterback	Holley
Shuttler	right halfback	Sidle
Potter	left halfback	McLean
Wheadan	fullback	White

Important

There will be a meeting of the Advisory Board in Silliman Hall on Monday evening at 7 o'clock.

The Glee Club practice will be postponed until 7:30 and the Instrumental Club practice until 8:30.

Hamilton Professors Prominent

During the past week, members of our Faculty have been unusually prominent in educational circles. At the recent Teachers' Institute at Whitesboro, Professor Morrill and Professor Miller were present, each taking an active part in the work of the assembly. Professor Miller had a class in "Physical Geography" and being thoroughly at home in this subject, had a remarkably successful session. Professor Morrill's work in "Biology," covering two days, was distinguished from much of the popular academic patter about hygiene, by reason of its solid practicality. Professor Morrill is no newcomer in Institute work, having conducted classes at three others this fall.

LIFE is glad to be able to chronicle such influential activities on the part of our Faculty. By the efforts of these men the College is brought promi-

ently before the people of the state in the best possible manner, that is, before the school teachers. Such activity is good, legitimate advertising and we hope to see more of it.

First Glee Club Concert

The annual Glee Club Concert in Utica will be held on Monday evening, December second, at the New Century Auditorium, corner of Hopper and Genesee Streets. As was done last year, the Sophomore Hop will be held in conjunction with the concert. The concert commences at 8 o'clock sharp. After the Hop, as usual, a special car will be run to Clinton. In conjunction with the concert "The Glass House," a one-act drama, will be given. The cast includes, Simmons, '08, Rudd, Truax and Woolcott, '09. It will all undoubtedly be good and so commends itself to our hearty support.

Singing Practice

The distinguishing feature of the week has been the eight o'clock practice of songs and yells in the Chapel. Nearly every man has been present and the improvement in singing amply justifies the experiment. This early practice is of course inconvenient but it is the very best way of learning our songs and developing the spirit that has come to be synonymous with Hamilton. Colgate has been doing practically the same thing for some time and if the "big maroon" can do it, certainly the Buff and Blue can, even though it means a little self-sacrifice. Several new songs have been written by H. E. Dounce, '10, and have been published as a supplement to LIFE.

Y. M. C. A. News

At the Cabinet meeting on Sunday afternoon, Wilcox, '09, was elected to go as a delegate from the Association to attend the International Convention of the Y. M. C. A.

This Convention will be held at Washington, D. C., from Nov. 22 to 27. Its purpose is to review the progress of the various branches of the Association work and to make comprehensive plans for the future

conduct of it. Delegates from all the countries where Y. M. C. A. work is being carried on will be in attendance. England, France, Germany, Russia, India, China and the Philippines will be represented, as well as all the states of the U. S. Among the speakers will be Ambassador Bryce, Gov. Hughes, Hon. Wm. J. Bryan and Bishop McDowell. President Roosevelt will receive the delegates.

Upon his return, Wilcox will give a detailed account of the proceedings. At this Cabinet meeting it was further decided to send delegates to attend the Student Volunteer Convention to meet in Rochester from Nov. 8 to 10. The delegates are soon to be chosen by the Missionary Committee.

— The Dramatic Club is diligently rehearsing "The Mice Will Play" under the direction of Prof. Shepard. They probably will present it at Binghanton on Thanksgiving Day. On Nov. 25th, the club may appear in Iliion.

— Shattuck, '08, Amherst, will be on the Hill next Monday and Tuesday to assist in the football coaching.

— Dr. Wood addressed the Y. M. C. A. of Clinton last Tuesday.

— Prof. Ibbotson attended a wedding in Richfield Springs, Wednesday.

— McMartin, '08, spent the latter part of last week at his home in Johnstown.

— Barrows, '07, has returned to his home in Clinton, from Ft. Leavenworth.

— Several of the Faculty are taking a personal interest in the anti-license fight in Clinton.

— Electric lighting of the Chapel has at last materialized and is a decided improvement. Efforts are being made

to induce the power house authorities to turn on the current early enough so that we may enjoy the lights during Sunday services.

— It is reported that Abbott, '10, is speedily recuperating. He is now able to go about on crutches.

— Two of the Union eleven are Clinton men — Bell, who plays tackle, and Peck, who plays center.

— DeVotie, '03, LeMunyan, Barrows and Carroll, '06, witnessed the Syracuse game last Saturday.

— S. M. Jones, '08, has been on a trip to Michigan. He returned the latter part of the present week.

— Capt. Smith has announced that basketball practice will be held on Wednesday and Friday evenings.

— The Chapel clock, which has been badly out of order lately, has been repaired and is again to be relied upon.

— The date set for the Freshman-Sophomore game is Nov. 13th, the Wednesday following the Colgate game.

— Owing to the bad condition of the field, during the first part of the week, practice was held on the quadrangle.

— A door is soon to be placed at the entrance to the third floor of the Gymnasium. This will materially aid in the warming of the place.

— There is some talk of arranging for the Junior-Senior debate this term in order to afford time to secure inter-collegiate debates next term.

— The Freshman LIFE competition stands as follows: Mitchell, Gouge, Sidle, Parry, Anibal, Flagler, Day, Westcott, Martin, Willard, Riley.

— Neither Bennett nor Nellis, '06, will play today. Union's squad has been further weakened by the suspension of their big tackle, Riggs.

— Kernan, Harvard, '06, has been on the football field several days during the past week assisting in coaching the back-field.

— It has been suggested that the Freshmen and underclassmen in general do not appropriate the entire sup-

ply of hot water on their respective "gym" days.

— Invitations have been issued for the marriage of Miss Jane Carlisle to Frederick L. Allen, '88, to take place in Washington, D. C., November 9th.

— The men now eating at the training table are Holley, White, Cody, Williams, McLean, '08, Wilson, Getman, H. P. Osborn, Thomas, '09, Leavenworth, Glover, '10, Daly and Sidle, '11.

— H. J. Snyder, ex-'08, was on the hill last week. Snyder has been elected an associate editor of the Cornell "Widow" and he has also received the honor of writing the manuscript of the Cornell Masque Play.

— There is a movement on foot to take a band to Hamilton next Saturday. This would add greatly to our support at the Colgate game and the cost to each man would be comparatively nothing.

— The "Wild Cat" is making a decided hit. It is unique and expressive and should become a feature of our yelling. However it is far more effective when given alone without anything tacked on.

— On Nov. 19th, a cross-country run will be held under the direction of the Y. M. C. A. of Utica. The race will start from Utica and is open to anybody in Oneida County. The College will be represented by Smith, '08, Knox, '10, Renwick, '10 and Stube, '10.

— The management of the Shubert Theatre has decided to make tonight a Hamilton night in every sense of the word. The Theatre will be decorated with Hamilton colors, and will be almost entirely given over to Hamilton men. A large number of the Union men will probably attend.

— A very decided and substantial improvement is being made in the Chapel steps. The old stone steps have been temporarily removed and a solid concrete foundation is being put in, after which the old stones will be replaced with the exception of the top one which will be used at the entrance to Science Hall.
